The Bueren mountain will be fully in bloom for a few days: a magical way to discover the very heart of the fiery city. The next event will take place in Liège in June 2020.

The stairs will be decorated in bright, vivid colours by thousands of flowers and candles. Don't miss it: the event only takes place every 2 years...

A different take on the Bueren mountain

The 374 steps will be decorated with flowers, a design entirely thought and brought to life by the Service Espaces publics - Plantations de la Ville de Liège. Careful, the team will design an **extraordinary floral painting**, made with 22,330 plants divided in 7,400 pots.

A vibrant launch

Don't miss the official launch, at the bottom of the stairs, which will take place on the Friday from 5 pm. A bar will serve drinks and light snacks.

The challenge of floral art, life size!
